Meet the Judges

Courtney McLeod
FOUNDER AND PRINCIPAL,
RIGHT MEETS LEFT INTERIOR DESIGN

Courtney McLeod believes in the power of design to spark joy and utilizes a kaleidoscopic toolbox of texture, pattern and color to create a singular and cohesive expression of each client's unique personality and lifestyle. The name of her award-winning, New York-based full-service design firm, Right Meets Left, reflects her design process, which is rooted in an optimal balance of innovative design (right brain) and analytical rigor (left brain). She serves as a trustee of the New York School of Interior Design.

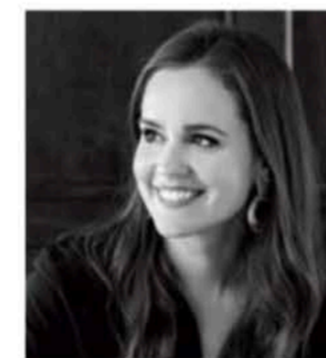

Benjamin Johnston
PARTNER AND CREATIVE DIRECTOR,
BENJAMIN JOHNSTON DESIGN

Houston-based Benjamin Johnston has dedicated his life to the pursuit of artistic expression as a designer, artist, teacher and tastemaker. Johnston earned his Bachelor of Architecture from Texas A&M University and his Master of Architecture from University of Texas at Austin. Noz Nozawa
PRINCIPAL INTERIOR DESIGNER AND OWNER,
NOZ DESIGN

Principal interior designer and owner of San Francisco's Noz Design, Noz Nozawa is known for her commitment to artful, highly personal interiors. Fearless in her design choices, Nozawa's spaces are grounded in a commitment to helping her clients access joy and love through the process and have earned her projects across the country as well as many industry accolades. Nozawa holds a Bachelor of Science in economics from the University of Pennsylvania.

Marie Flanigan
PRINCIPAL,
MARIE FLANIGAN INTERIORS

Award-winning interior designer Marie Flanigan uses her experience as a classically trained and practiced architect to unlock a unique level of depth through her mutual consideration of interior and structure; her homes reveal the magic that transpires when each is made to augment the other. Flanigan's trademark style is evident through a sophisticated use of color, texture and light. Every home she designs receives her personal signature of timeless elegance and innovative simplicity.

Sean Anderson
PRINCIPAL,
SEAN ANDERSON DESIGN

Sean Anderson presents a sense of style that offers enduring interiors for inspired living. His design philosophy is rooted in the pursuit of creating customized, soulful spaces that tell the unique story of those who inhabit them.
